FROM THE HEADMASTER

GOD SPEAKS TO US THROUGH NATURE

A warm 2017 welcome to everyone in our Secondary school community. It was wonderful to see all the students return on Monday 23 January and especially to welcome our new students to Citipointe Secondary. I trust that all students and parents will have a wonderful year.

HEAD OF PRIMARY

Effective education occurs in a three-way partnership between student, teacher and parent with each element playing their part. A Christian worldview believes the responsibility for education belongs with parents, with the Christian school in a supportive role, advocating for the values that both parties subscribe to.
